PROGRAMS

Power Hour, Making Minutes Count: Comprehensive homework help and tutoring program designed to raise academic proficiency of club members ages 6 to 18. As members complete homework assignments and bonus activities, they accumulate Power Points, which may be used to obtain Power Rewards—prizes, activities and incentives.

Goals for Graduation: Introduces academic goal setting to club members ages 6 to 15 by linking their aspirations with concrete actions. In a variety of one-on-one, small-group and large-group sessions with club staff, members set achievable “Know-I-Can” goals, more challenging “Think-I-Can” goals and yearly “Believe-I-Can” goals. Members create an action plan with daily and weekly goals leading to short- and long-term academic gains.

FUNDRAISER

A Monte Carlo night and raffle drawing at the Robert Irsay Pavilion in Carmel raised more than \$40,000 on May 3. Details of next year’s event are to be announced.
