## PROGRAMS

**My Achievement Center:** The mission of the MAC is to provide access to free academic mentoring and tutoring within the school day at both high schools, Lawrence North and Lawrence Central. Tutors support the help-you-help-yourself model. They encourage students to take notes in class, provide support for organization, and coach teacher content by supporting homework assignments, proctoring tests and giving feedback to parents about student progress. Tutors hold students accountable for their schoolwork and behavior at school, as well as decisions made outside of school, and encourage them in their pursuit of extracurricular activities and part-time jobs. Tutors assist with registering for college entrance exams and applying for colleges. Through all these activities, relationships are being built and students are empowered to succeed.

## FUNDRAISER

**The 12th annual Light Their Future Gala**, a night of dinner, dancing, silent and live auction, will be April 14 at the Indianapolis Marriott downtown. Last year, the gala raised over \$56,000.
