PROGRAMS

Adult day service: Joy's House is an adult day service supporting both the guests (clients) and their family caregivers. Guests are those who can no longer stay at home alone safely because of the progression of Alzheimer's disease, Parkinson's disease, autism, multiple sclerosis or basic aging. Adult day services, offered 7 a.m. to 6 p.m. Monday through Friday, are the core of the business. Along with providing safety, care and social interaction, programming includes physically and mentally stimulating activities, such as art projects, therapeutic music, exercise, trivia games and reminiscence therapy.

Caregiver support: Joy's House supports family caregivers with a Caregivers Resource Area, family meals, bathing services and the annual "A Day Away" retreat.

Guest Scholarship: The Guest Scholarship program financially supports families needing assistance. The financial aid allows guests to attend Joy's House, as well as keep them in their homes.

FUND-RAISER

Joy's House's biggest fundraiser is a black tie-optional annual gala with silent and live auctions every October. The event raised almost \$120,000 last year. This year's gala, which is Oct. 5 at the Ritz Charles, will have a local art focus.
