## PROGRAMS

**Toast the Arts:** PFL presents a series of Toast the Arts receptions, an after-hours gathering featuring local visual and performing artists whom corporate sponsors host to show their support for the arts in Lawrence.

**Lawrence Art Center:** PFL and the Lawrence Community Development Corporation partnered in 2011 for a six-month pilot program to operate an art center in Old Lawrence at 4437 Franklin Road. The pilot program made a small profit on its operations. The board in 2012 formalized a three-year agreement with the CDC for seeding funding to continued use of the building. A full-time executive director began working with two resident artists and a growing team of teaching artists. The Lawrence Art Center welcomes visitors of all ages to its studio for classes. The center also operates several outreach programs providing afterschool art activities at local schools.

## FUNDRAISER

**Artique Winter Fair:** Local artists and performers come together to showcase talent and offer handmade art and crafts to visitors. PFL expects 1,200 attendees this year.
