## PROGRAMS

**Policy advocacy:** Spearheaded Indiana's 2009 electronics recycling law, championed the state's newly established goal of 50 percent recycling, and is building support for increased state funding for recycling infrastructure.

**Educational outreach:** Works with schools to promote Recycle-Bowl and RecycleMania and manages the Project ReDirectory telephone book recycling competition.

**Recycling support and resources:** The Lend-A-Bin program provides containers for event recycling. Serves as a portal to local recycling resources across Indiana.

**Recycling Job Study:** A 2013 study commissioned by IRC showed that recycling just 25% of what we dispose today would create 10,000 additional jobs while delivering much needed materials to 77 Indiana manufacturers that use recycled feedstock in their processes.

## FUNDRAISER

IRC's annual conference and trade show raised $73,000 last May. The REVENT gala in November raised $33,000.
