PROGRAMS

DonorsChoose.org matching grants: Through DonorsChoose.org, teachers promote projects that meet their students' most pressing needs. Donations made to the program are matched by the foundation with the money going directly to the classroom. Funds are used to upgrade classroom technology and purchase the supplies needed to create an innovative learning environment that best serves students. During the 2013-2014 school year, the foundation granted an unprecedented \$100,000 in matching gifts, bringing \$200,000 worth of supplies to IPS classrooms.
